

HARD SURFACE WIPES

70% ISOPROPANOL WIPES

Alcohol-based wipes for general-purpose cleaning of hard, non-porous surfaces.

FAST ACTING
Quick evaporation.

HYGIENE CRITICAL AREAS
Ideal for frequent use on sensitive areas.

LOW LINTING
Effective against bacteria, viruses & yeasts.

STREAK FREE
No residue.

Directions for Use: From the centre, pull out corner of wipe and thread through the aperture in the lid, close the lid tightly before use. Always use the lid insert to maintain moisture. Wipe surface thoroughly. Allow to air dry naturally. Keep the tub stored upright between 0 and 30 degrees. Always test on a hidden spot before use.

Warnings: Highly Flammable liquid and vapour. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Keep out of reach of children.

Contains: 70% Isopropyl Alcohol
