OILS

ADHESIVES

PU FOAM

PAINT

GRIME

Directions for Use: Remove lid, pull one wipe from centre, insert wipe through the lid then close the lid tightly after use to maintain moisture. Keep the tub stored upright at room temperature. For best results, clean spills immediately. For stubborn stains, soak for five seconds with the wipe. Always test on a hidden spot before use.

Warning: If medical advice is needed, have product container or label at hand. Keep out of reach of children.

If In Eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/ attention.

Harmful to aquatic life, avoid release into the environment.
Read label before use and keep out of reach of children.
