

750ml

CHEWING GUM REMOVER INFORMATION SHEET

Description:

A safe, environmentally friendly chewing gum remover recommended for interior use on floors (all types), carpets, furniture and upholstery. Specially formulated to release the adhesion of the gum.

Use instructions:

- Spray directly onto chewing gum and allow to penetrate.
- Agitate with nylon pad and wipe over with a clean damp cloth.
- For carpets wipe over area with a cloth dampened with carpet shampoo, allow to dry and vacuum away any residue.
- For floors remove gum by pulling special scraper across gum surface then spray product onto gum residue and rub with a nylon pad.
- Wipe area with a cloth or paper towel.
